

Package Pickup

Packages must be picked up at the package center designated for your building.

IMPORTANT: All mail (letters, packages and overnight deliveries) should be addressed to the student's current [residence hall address](#) [1].

- To make sure your package arrives on time, always use the complete mailing address including the student's full name and room number. Incomplete address information causes delivery delays.
 - It is your responsibility to pick up packages at your assigned package center in a timely manner. You will be notified by the UNC Housing via email when your package is available for pick-up. The University is not responsible for spoiled or ruined items.
