

Residential Computing Consultants

Not Currently Hiring

Position Type:

Student Positions - Academic Year

RCCs provide in-room network computing support for those living in campus residence halls. In addition to their technical support, RCCs develop programs integrating technology and community in various ways.

Students work for ResNET in two types of positions:

- **Residential Computing Consultants (RCCs)**
- **Senior Residential Computing Consultants (SRCCs)** - SRCCs provide a middle level of management between the full-time staff and the RCCs. They are responsible for making tech support assignments to their staff of RCCs, distributing important information to their staff, holding monthly meetings, and reporting on RCC performance to the full-time staff.
