Stream2 Is Now Available!

August 23, 2018

Stream2 is a new IPTV service for our on-campus residents. It makes all of your favorite TV channels accessible online. Moreover, it offers a few more features than simple cable TV.

All Stream2 student accounts have 20 hours of DVR available and the ability to use a feature called "trick play." Trick play gives students the ability to pause live TV, fast forward, rewind, and start over any TV show that has occurred in the past 24 hours. It?s all the features of a high-end cable box except on your computer, tablet or mobile device.
