

# Carmichael Community

## ?C-Mike, you know you like!?

Completed in 1986, Carmichael bears the name of Katherine Kennedy Carmichael, the first dean of women. Last renovated in 2008, this six-floor, suite-style residence hall holds up to 485 students, so you'll have plenty of opportunities to make friends. Invite your suitemates to watch your favorite show in the "fishbowl" ? a meeting space and TV lounge ? or enjoy late night pancakes with one of the 10 Resident Advisors.

## What Tar Heels are saying

?My staff is great and is really dedicated to improving the lives of those who live here. There is always something going on or music playing (not too loud, though!)?

?My favorite event was when the UNC men?s basketball team played in the Carrier Classic on Veteran?s Day. The projector screen was just put up in the ballroom, so we had a big viewing party. I remember sitting there with about 100 other Tar Heels and lots of food, just getting to know each other and enjoying the game. Now we have viewing parties for almost every game.?
