Discover More

Discover More is a residential program that focuses on aiding upper-division student's development in the areas of *academic commitment, career exploration, personal enrichment and social responsibility*. The program is designed to meet these goals by focusing on small and large-scale programs that expose students to resources on-campus. The program will be housed in the following communities: Carmichael, Cobb, Connor, Granville, Kenan, Morrison, Manning West, Olde Campus Upper Quad, Parker and Ram Village.

RAs will host programming in our residence halls as well as encourage students to participate in programs across the campus.

Here are some signature events sponsored by Discover More as well as our campus partners:
