

Congratulations on your acceptance to UNC Chapel Hill!

We look forward to welcoming you to our campus residential community of over 8,500 student residents. Living on campus is one of the best ways to get connected and smooth out your transition to UNC.

We at Carolina Housing work to create an inclusive on-campus housing environment that promotes personal development, citizenship, involvement, and leadership for the students who live on campus.

Housing for transfer students is assigned on a first come, first served basis, so it's best to apply as soon as you're sure you want to live on campus.
