

Graduate Students, Professional Students and Student Families

For graduate and professional students and student families, we offer apartment-style housing in **Baity Hill Apartment Community**.

This community offers the freedom and privacy of apartment living with the convenience of on-campus living.

You must be a full-time graduate or undergraduate student with a family to live at the Baity Hill Apartment Community

The [Apartments](#) [1] section of our site offers complete details on Baity Hill. Here's a few tips if you're interested in pursuing these housing options:

- Once you have been admitted to UNC, you may fill out the Housing Application online at myhousing.unc.edu [2] and indicate the type of housing you desire. **You must have valid Onyen and PID number to submit an application.**
- Unlike other housing on campus, Baity Hill accepts applications continually. You may apply at any time; the earlier the better.
- These apartments have monthly rates as opposed to semester rates as with our residence halls. You can get up-to-date rates at our [Rates](#) [3] page.
- If you have chronic or severe medical condition that should influence your Housing assignment, note that on the application, and turn in the [Chronic or Severe Medical Condition Accommodations Request](#) [4] promptly after submitting your Housing Application.
- Once you've been assigned, your housing assignment and apartment-mate information will also be accessible through your myhousing.unc.edu [2] account.
- Leases at Baity Hill run from June 1st (or actual ?Lease Start? date) through May 31st.
- Most apartments are available between June 15 ? August 15, but we do have a limited number of 1BR/1BA and 2BR/1BA roommate apartments available for earlier move ins.
