

OFFICE ASSISTANT
Job Description
2022-2023 Academic Year

Mission

Housing and Residential Education works to provide convenient housing that is secure, inclusive and supportive. Students create a home in our on-campus communities, build life-long friendships and develop skills for their current and future successes as they journey through their Carolina experience.

Philosophy

Community Immersion is the philosophy that each student's journey at Carolina is unique. It is therefore important that our staff's focus with residents is more one-on-one, connecting students with their community, with the campus, and with opportunities that expose them to all that is available at Carolina. It is the way in which we directly engage residents, sharing in their successes and assisting with their concerns and challenges. In short, it is mentorship. This, in turn, leads to greater student success.
