SUMMARY OF CONDITIONS AS OF MARCH 10, 2022

Recently, the University published updated COVID-19 Community Standards. The University COVID-19 Community Standards are:

- Stay Up to Date with your COVID-19 Vaccines
- Optional Mask Use
- Practice Healthy Habits and Be Respectful

Details on these can be found on the [Carolina Together](#) website.

Additionally, the following is a summary of the residence hall COVID-19 policies that remain in place for the health and safety of our residential students and staff. Residents with repeated or intentional violations of these standards may experience the cancellation of their housing contract for the remainder of the year.

Isolation Requirements: If residential students receive a positive test result, they must wear a mask. We strongly recommend that on-campus students return home to complete their isolation period. Students may also choose to isolate in their residence hall or University apartment and may only leave to receive medical care or for meals. The university is not providing separate housing or meal delivery to those who need isolation. Detailed information can be found on the [Carolina Together](#) and the [Carolina Housing](#) websites.

Self-Quarantine Guidance: The CDC has provided [updated quarantine recommendations](#), which have informed our University approach regarding self-quarantine. If you believe you have come into contact with a COVID-19 positive person (including your room/suitemate), please follow the [appropriate directions](#) based on your vaccination status.

Visitation: Standard visitation for all residence halls has been reinstated. As such, the following guidelines apply:

All buildings have open room visitation with roommate consent. The following actions and behaviors are prohibited:

1. Unescorted guests in the residential facilities. Guests must call their resident host from outside the building in order to gain entry.
2. Failure to receive approval from roommate/suitemates to have guest(s). A resident's rights to privacy, sleep, and study take precedence over the rights of a host to have a guest.
3. Guest(s) staying more than three (3) nights in a given week, six (6) nights in a given month and more than two (2) weekends in a given month.
4. Habitation of a room by anyone other than residents assigned to that room.
5. Guests staying or sleeping in spaces other than their host's room.
6. Non-compliance with the occupancy policy:
 - a. Gatherings with more than three (3) times the designated occupancy in a residence hall room.
 - b. Gatherings with more than four (4) times the designated occupancy in an apartment.
