Welcome Home!

The beginning of Fall Semester is just around the corner. Like you, we are preparing for an important event – your arrival on campus! This guide includes important items to remember as you prepare for your move to UNC at Chapel Hill. We look forward to welcoming you to Carolina as a member of our campus housing community. Our staff has worked diligently to make your arrival on campus as comfortable and as convenient as possible.

Carolina Mission

Carolina Housing works to provide convenient housing that is safe, inclusive and supportive. We strive for students to experience a welcoming home in our on-campus communities, build lifelong friendships and develop skills for their current and future success as they journey through their Carolina experience.

Your Move-In Process

» Double check your move-in appointment day and time. Locate your building and know your room number.

» Drive directly to the building where you have been assigned. Use the Campus Map for reference. Parking Attendants will assist you with directions to the appropriate loading zone area for your building.

» Check in at your building's check-in location to receive your room keys.

» You will have 40 minutes to unload your vehicle at the curb. After 40 minutes, you will need to park your vehicle in a nearby lot as directed by the parking attendants. Please help us provide quick access parking for as many people as possible by respecting this time limit. Park your vehicle in a designated visitors lot as instructed by the Parking Attendant.

Your Move-In Appointment

Due to the number of residents living on campus, signing up for a move-in timeslot will be staggered by building. We ask that you do not log in to the MyHousing Portal until your building's signup has opened. Move-In time slots will be at: 9am, 10:30am, 12pm, 1:30pm, 3pm, and 4:30pm

Move-In & Living on Campus FAQs

**When can I move in?**

This general move-in will be August 10-14. The Move-In process for all students will be by appointment ONLY.

**Where can I do my Laundry?**

Laundry facilities are located either in your residence hall or in a neighboring building in your residential community. Laundry will be FREE this year. In addition, all washers and dryers will be replaced in 2022.

**Can I change my Assignment or Roommate?**

Yes, Residents can submit a reassignment request. Visit our Reassignment Request Website for more details.

**How do I pick a Meal Plan?**

Carolina Dining Services (CDS) is your on-campus dining source! With 2 main dining halls and over 20 locations, we strive to keep our Tar Heels well fed, happy and feeling at home! Picky eater? Vegan? Pizza lover? Learn about Meal Swips, Plus Swipes, Flex, and how to eat like a Tar Heel! Visit the Carolina Dining Services website for more information!

**Is there Housekeeping Available to clean my room?**

You will be responsible for the cleanliness of your own room, disposing of trash and leaving all public areas in clean condition. The housekeeping staff will clean the public areas as well as the hall/suite bathrooms. EXCEPTION: Residents of Craige North, Hardin, Koury, Horton, Morrison supersuites, and Ram Village must clean their own bathroom and provide toilet paper since housekeeping staff cannot access the suite bathroom in those buildings.

**Should I get Insurance for my belongings?**

We strongly encourage you to invest in additional property insurance for your student’s belongings. UNC does not endorse any individual insurance program but does encourage parents and students to make sure they have the protection they desire for student property. You may have homeowner's insurance; however, not all homeowner policies cover everything students bring to school. Most will provide some coverage but have limitations on certain property. You should check with your insurance agent to determine what is and what is not covered under your policy and what the deductibles are for property away from your principal residence.

**How will I be billed for Housing?**

The Office of Student Accounts and University Receivables bills for Housing, not Carolina housing directly. Please visit University Cashier website for more details!
What are the Carolina Housing’s Community Living Standards?

The Community Living Standards are the rules and policies that you will be held accountable for as a resident of campus housing. As a legally binding adjunct to your Housing Contract, these standards ensure UNC’s residential communities are conducive to academic success. Visit the [Community Living Standards website](#) to educate yourself on expectations.

What is UNC’s Liability Policy?

The University has no legal obligation to pay for loss or damage to items of personal property caused by residents or by occurrences such as flood, weather, or mechanical-related events which occur in University Housing or on its grounds prior to, during, or subsequent to the period of the housing contract.

Can I bring my bike?

Sure; you should register it for free with [UNC Police](#) to deter theft and aid in identification if your bike is ever lost or stolen. We also recommend that you purchase a quality U-lock to secure your bicycle to exterior racks which are located outside every residence hall. UNC now offers Tar Heel Bikes, a convenient and cost-effective bike sharing program. For more info, visit the [Transportation & Parking: Bike Share website](#).

What is my Mailing Address on campus?

The complete mailing address is required on all letters, packages and overnight deliveries sent to on-campus residents. To find your mailing address, go to the [MyHousing Portal](#) and click on “My Assignment.” Always provide friends and family with your complete mailing address. Letters, packages, and overnight deliveries are automatically routed to the Package Center zoned for each building. Residents will receive an email from Housing Package Centers when mail is available for pick-up. The email will include the pick-up location, hours of operation and the package tracking number. Please do not send mail or packages to arrive on campus before the Package Centers open for move-in week.

Where do I get my Room Key?

Keys can be picked up in the lobby of your building or in the community office if your community has multiple buildings. Details for check-in locations will be emailed or reference Check-in and Room Key Pick-Up Locations in the Move-In Guide. Don’t forget, bring a keychain!

What is ResNET?

ResNET provides reliable on-site IT support, educational programs, cutting-edge technologies, and laser printing stations – all right in your residential community, all FREE! Don’t wait until you arrive to configure your devices (computer, game systems, phones, etc.) for our network. Visit [help.unc.edu](http://help.unc.edu) for instructions and setup videos. Internet- One high-speed Ethernet port and high-speed Wi-Fi is available in all rooms. You must provide your own Ethernet cable.

**ResNET Tips for Move-In!**

**Where can I get tech help?**

Contact ResNET! We live in the halls and help with technology issues and questions that pop up. Visit housing.unc.edu > Fix My Tech to ask for ResNET. RCC contact information is also available on the ResNET website.

**Do I need to bring a printer?**

No! CCI printers are located in each community for students to use, and each student has fees allocated for printing on their account. More information about CCI printing visit the Help website.

Want to bring your own anyways? That’s totally okay, but make sure you can connect it with a USB connection. Wireless printers don’t work consistently on our network, so we recommend pugging them into your computer with a USB cord.

**What are the internet options in my room?**

» Students should be able to get wireless in their rooms. However, just in case you can’t get a strong connection, we recommend that students bring an ethernet cord and adapter for their computer.

» Each double room on campus has one active ethernet port, so it is also useful to buy a splitter or hub if you know you want more than one computer connected at a time (ex. connecting two computers, a PS5, etc.)

» Apartment style housing (Baity and Ram Village) should have one port active per whole apartment

» Unable to connect? Contact ResNET for assistance!

**Will Smart Home devices work?**

» What should work: Amazon Alexa, Amazon Firestick, miracast on TVs, Apple TV, video game systems, Roku

» What won’t work: smart switches, Google Home, Google Home mini, Chromecast, Sonos
A Sustainable Move-In Process

From our partners at UNC’s Office of Waste Reduction and Recycling (OWRR):

Tip #1: Consider packing miscellaneous items in totes and bringing just one season’s clothing, remember, home after December!

Tip #2: Come with less. You can get it here if you find you are missing something you need. Think coffee makers, rugs, microwaves, etc.!

Tip #3: Please pay attention to changes and notifications about what and where to recycle specific items! Remember we all need to Recycle Right at Carolina, now and always.

Reduce Waste by Considering...

Have you thought about “Un-shopping”?! Save money and reduce waste by:

» Using the furniture provided in your rooms and apartments, leave your favorite chair at home. Carolina Housing provide lots of nice stuff!

» Keep any plants small and to a minimum

» Posters - keep the poster tubes to pack them up when you need to move.

» Second-hand room décor - to be fluid, customize your room minimally with only a few things from home, and remember you’re likely to get stuff while you’re here!

» Reusable plate, bowl, cup, and utensils. Pack a set of reusable utensils for on the go and for your room!

» Reusable water bottle. Carolina Dining Services offers reusable coffee mugs, and water bottles at several on-campus locations!

» Reusable, washable shopping bags

» Re-think appliances. Rent a micro-fridge from RHA and skip all the hassle. If you do buy, choose Energy Star appliances.

» Smart power strip (3-prong only)

» Use LED bulbs for (desk) lamps you may bring - remember no halogen bulbs!

» Bike helmet. And you can rent a bike when you need one from Transportation Services!

» Small drying rack, but check to see if your roommie is bringing one already!
Residence Hall Association (RHA)

What is the Residence Hall Association?

As a resident of campus housing, you are automatically a member of the Residence Hall Association (RHA) student organization, which allows you to attend RHA community events, and check out enhancement items at your community office. When you lease MicroFridges® or buy carpets and linens through RHA's Carolina Lifestyles, the profits are directly applied to events hosted in your residential community! Visit the RHA website for more information!

A Welcome from RHA President

Welcome to UNC, fellow Tar Heels! My name is Nate Worley, and I am beyond humbled to be serving as your 2022-23 Residence Hall Association (RHA) President. I am a rising junior studying Public Policy and Economics, and I have a passion for baking and enjoying nature. I am a first-generation college student who grew up on a small farm in rural western North Carolina. When I first arrived at Carolina, I felt lost and a little overwhelmed, but I knew that I wanted to get involved on campus, and I had no idea where to start. Then, I found my RHA family.

If you're looking to find a community of tight-knit, service-oriented, passionate student leaders, RHA may be the place for you! Through running for Community Governor, RHA empowered me to grow into the leader I am today. RHA is a student-led organization that hosts fun and dynamic programs, advocates for your wellbeing, provides community enhancements, facilitates the recognition of residence hall leaders, and works to advance social justice in many spaces at UNC. We work closely with Carolina Housing and alongside your RAs to provide the best on-campus experience possible!

RHA hosts a ton of campus-wide traditional programs that you can look forward to, including our annual Silent Disco, UNC vs. Duke Watch Party, the Multicultural Festival, Stress Less Fest, and Community Government programs each month within your residence hall! If you’d like to get involved in RHA, have a meaningful leadership experience at a university-level, and/or run for Community Governor, follow us on social media @rha_unc. We can’t wait to see you soon!

For the Residents,

Nate Worley (He/Him/His)
